

*WE MOVE*  
**MORE**  
*THAN JUST*  
**GOODS**

LOGISTICS IN MOTION.

# THE BETTERMOVE WAY

*BetterMove stands for a new generation of modern logistics company.  
Digitally driven, personally managed – with clear processes and fast  
decision-making. For logistics that are predictable and reliable.*

**Our commitment:**

- Smooth processes
- Clear communication
- Fast response times
- Flexible solutions
- Attention to detail

**CLICK  
FOR THE  
FULL STORY**

*For us, logistics is more than just processing.  
We take responsibility, think ahead and act  
proactively - in day-to-day business as well  
as when dealing with complex requirements.*

Proactive  
instead of  
reactive

Clear  
instead of  
complex

Proximity  
instead of  
distance

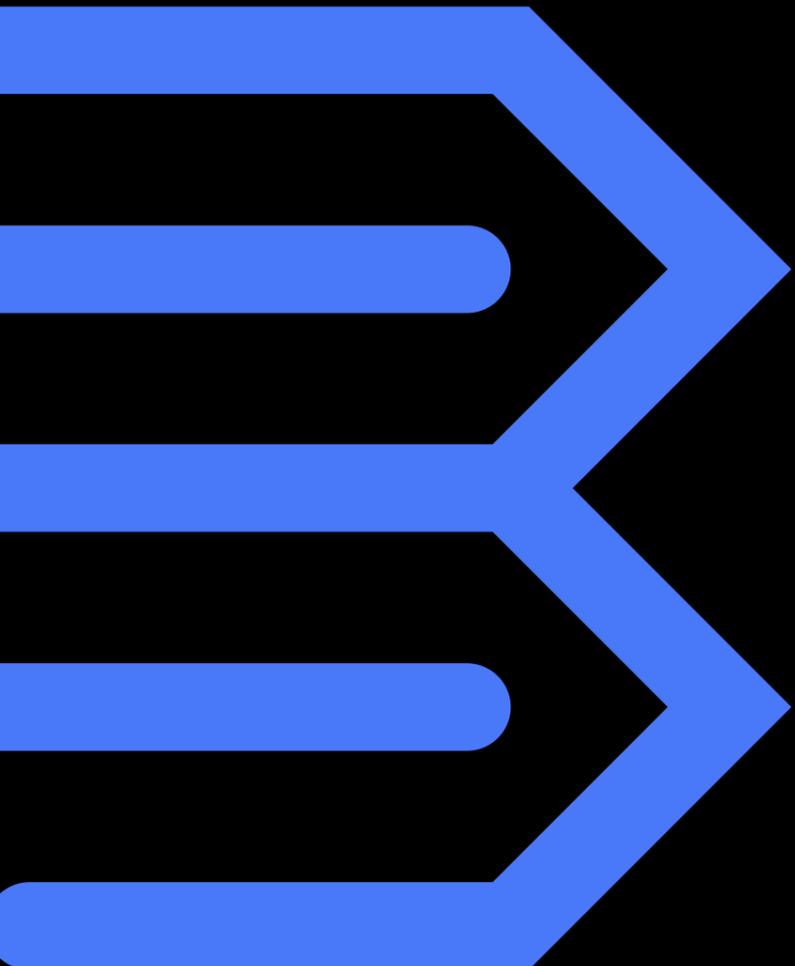

Executing  
instead of  
just managing

# MOVE BEYOND

*We think beyond the destination.  
We connect markets and create opportunities.*

# EUROPE IN MOTION

*Transport solutions with structure, speed and responsibility.*

## **Our Services:**

### **Full Truckload (FTL)**

Direct, on time, across Europe.

### **Less-than-Truckload (LTL)**

Flexible and cost-efficient for smaller shipments.

### **Spot & Express Solutions**

When time is critical – fast response, full control.

### **Project & Fair Logistics**

Professional management of complex transports.

### **Customs Management**

Import, export, or transit – we handle all formalities.

*Commitment in every move.  
Quality, transparency and  
reliability in every detail.*

*Short distances. Quick decisions. Clear communication.*

We focus on finding solutions, remaining flexible and ensuring maximum transparency at every step.

# SOLUTIONS SPEED SERVICE

*What drives us? The passion to make  
a difference every day.*

# DRIVEN BY VALUES

*Our values set the direction.*

*These values are more than just words - they shape our daily actions.*

*Better Move stands for modern logistics with attitude. Digital processes and personal support go hand in hand with us - fast, direct and on equal terms.*

Our team combines many years of experience with modern thinking. This results in solutions that not only work, but also create real added value.

**What makes us special:**

- Digitally driven processes with a clear structure
- Dedicated personal contacts – available 24/7
- Multilingual expertise across Europe
- Fast decision-making and direct coordination
- Year-round availability

# READY WHEN YOU ARE

*We combine precision with dynamics. Reliability with speed. Partnership with performance.*

# LET'S MOVE TOGETHER

*Are you looking for a partner who values personal service, decisiveness, and reliability? Then let's talk.*
